DARIORASEO

Bonzer® 250 ml Measure

Professional calibrated measure · dariosero SKU MSR250

Calibrated 250 ml measure in stainless steel 304, with the ring grip typical of Bonzer®. Doses liquids, powders and granules in one repeatable movement. Born for the bar, also used in pastry making, chemistry and pharmaceuticals.

1. Calibrated 250 ml measure

Precise, repeatable dosing in a single movement, for liquids, powders and granules.

2. Stainless steel 304

Sturdy construction, resistant to corrosion and heavy use; suitable for food contact.

3. Bonzer ring design

The distinctive ring grip gives a secure hold even with wet hands; an unmistakable professional look.

4. Hygiene and versatility

Smooth, dishwasher-safe surface; designed for bars and cocktails, also used in food, chemical and pharmaceutical work.
