

Bonzer® Black EZ20 Super

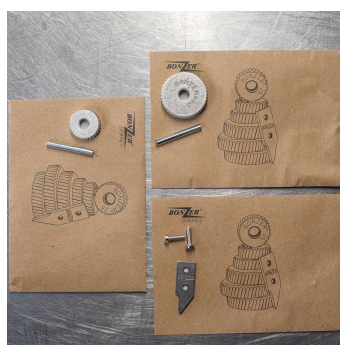

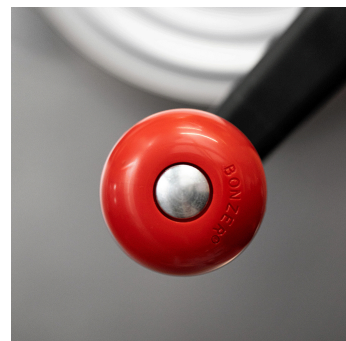

Stainless blade, one-movement release

DARIGASERO

Bonzer® Black EZ20 Super

Super · 63 cm shaft · dariosero SKU EZ20S

A step up from the Classic, with a long 63 cm shaft: stainless steel blade, pull-off release and the working height for industrial cans and tall containers. NSF. For restaurants and takeaways up to 20 cans a day, on tall formats.

1. Removable pull-off EaziClean blade

Simply pull the handle back to release the blade carrier in one movement, with no tools: washing and sanitising between work cycles takes seconds.

2. Stainless steel blade

Compared with the Classic, the stainless blade raises performance and life. A clean cut with no metal burrs in the food.

3. Up to 20 cans a day

Designed for restaurants and takeaways. For higher volumes the 40 mm wheel (EZ40/EZ60) is recommended.

4. Certification NSF

Compliant with the international food-safety standards required in professional catering.
