Declaration of conformity for food contact: how you receive it

Products intended for food contact · Regulation (EC) No 1935/2004 · Euro Satip Srl

1. WHAT YOU RECEIVE

- With the shipping confirmation e-mail you receive a **named copy** of the declaration of conformity (DoC) of the products intended for food contact.
- The copy shows your **company name** (for consumers: «customer of the order»), the **order number and date** and the **codes supplied**. It is valid only for those codes and that order.
- Languages of the declaration: Italian and English; the Italian version prevails. The signed original is kept by Euro Satip Srl.

2. HOW IT WORKS

1 Order on the website

2 Payment (bank transfer or card)

3 The order is shipped

4 Shipping confirmation e-mail with the link to the declaration

5 You find it again on the order page in your account

3. EXAMPLE OF THE DECLARATION YOU RECEIVE

Specimen for illustration only: fictitious data, text of the declaration not reproduced. Not usable as a declaration of conformity.

FAC-SIMILE
SPECIMEN – NO LEGAL VALIDITY
Rilasciata a ESEMPIO SRL #1000 – 01/10/2026

Copia conforme all'originale firmato, conservato presso Euro Satip Srl e disponibile alle autorità competenti. Valida solo per i codici e l'ordine indicati.
True copy of the signed original, kept by Euro Satip Srl and available to competent authorities. Valid only for the codes and order stated above.

#1000 · DoC-AL-01

- Before shipment the declaration is not available: it arrives with the shipping confirmation e-mail.
- The declaration covers only the products in the order intended for food contact. Articles not intended for food (e.g. OZ line) have no declaration.
- A new copy can be requested at any time from **info@dariorasero.com**, quoting the order number.
