B2B reseller area

Without logging in, the site is a public showcase with prices incl. VAT. **Log in as a reseller and it becomes your B2B store:** reserved prices excl. VAT, quantity discounts applied automatically in the cart, price lists and technical sheets in PDF, history of your online orders.

How to access the B2B reseller area

Only if you want to use the site, and only once. Then you log in with a code you receive by email, no password needed.

1

Request access

On the site, press "Request B2B reseller access" and fill in this short form. It's free.

B2B Request

Form to request access to the B2B channel.

2

Get the welcome email

We check your details and write to you within 1 working day: in the email, press "Go to the store".

DARIORASERO

Welcome to dariorasero

Your reseller account is active

From now on you can order on [dariorasero](#) at reseller prices.

How to log in

Click "Go to the store" below and enter this email address: you will receive a 6-digit code. No password is needed.

What you will find

- Reseller prices excluding VAT (marked "+ VAT").
- Quantity discounts, applied automatically in the cart.
- Payment by bank transfer in advance: after placing your order you automatically receive the proforma invoice with our payment details. Please quote the order number as the payment reference.
- Shipping: carriage charged on invoice, carriage forward with your own carrier, or collection from our warehouse in Turin.
- EU customers with a VAT number valid in the VIES system, invoices are issued without Italian VAT (reverse charge).
- On the product pages: technical data sheets, instructions, price list and reserved offers.

Getting started

- Reseller presentation (PDF): the B2B shop on two pages.
- Video: how to sign in with the code (1 minute, no sound).
- All video guides

In short

We sell to resellers. The public prices on the site are a showcase that protects your margin. Your prices, excl. VAT, **are those already agreed with you:** you see them after logging in.

Free access for resellers. We check your details and, if your business fits our reseller channel, we activate it within 1 working day.

1

No minimum order. The cart applies quantity discounts automatically.

Payment always by bank transfer in advance: after the order you receive the proforma invoice with the payment details.

Shipping charged on the invoice, or your own courier, or collection in Turin.

Delivery normally in 5-8 working days from receipt of the transfer.

Declaration of conformity (MOCA / food contact) in your name, always available. If the product page says so, it arrives automatically by email with the order.

VAT: EU companies with a valid VAT number (VIES-checked) are invoiced without VAT (reverse charge).

How to log in with the code

Watch it on your phone: scan the code.
