Round plastic scoop 2600 ml

SKU 1030WT · Food-grade polypropylene, 5 HACCP colours

Round 2600 ml food-grade polypropylene scoop, made in Italy, for moving large quantities of bulk goods quickly. Fully recyclable and dishwasher safe.

1. The largest in the round range

2600 ml: flour, sugar, coarse salt, cereals and ice in the fewest cycles.

2. Non-slip handle texture

The knurling on the upper side of the handle increases grip and ensures a firm hold even at full load or with gloves.

3. Reinforcing rim and antistatic surface

The rim around the body ensures rigidity under load; antistatic polypropylene keeps the product from clinging to the walls.

	Red	Raw meat
	Blue	Fish and seafood
	Green	Fruit and vegetables
	Yellow	Cooked meat and deli
	White	Bakery, dairy and dry goods / pantry
