

Bonzer® Unigrip 36

One thumb press, a consistent portion

DAVID ROSE

Bonzer® Unigrip 36

Thumb-operated professional portioner, 36 portions per litre

Bonzer® Unigrip professional portioner. Thumb operated, with a single light movement: fast portioning of soft, creamy products such as mayonnaise, sauces, fillings, mashed potato, rice and salads.

1. Thumb-press operation

The mechanism is triggered by a single, light movement of the thumb: fast and low-fatigue even in high-frequency use.

2. Food grade stainless steel bowl

Fast, clean release on every serving; built with no springs and no food traps.

3. HACCP hygiene, dishwasher safe

Simple, thorough cleaning in line with HACCP standards. Dishwasher safe.

4. Colour coding

Each handle colour identifies the size: fast selection in service, consistent portions and less waste.

SKU PTU036
