

Bonzer® Universal Clamp

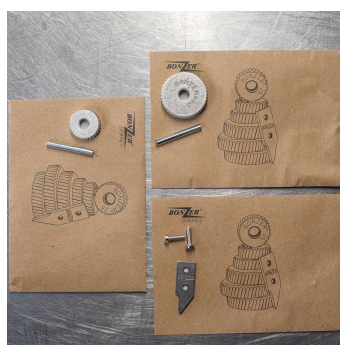

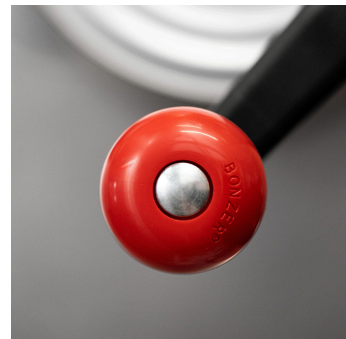

The bench fixing

DAVIDRASEO

Bonzer® Universal Clamp

Bench fixing · dariosero SKU 10222

Original Bonzer® universal spare clamp for countertop can openers: anchors the can opener firmly to the work surface for stability and safety while opening.

1. Stable fixing to the work station

It anchors the can opener to the worktop: stability is the condition for a clean cut and for operator safety.

2. Completes the base

The De Luxe base is supplied without a clamp: this spare part completes or restores the anchoring.

3. For the whole countertop range

Fits the Bonzer® countertop can openers.

4. Original Bonzer® spare part

Made by Mitchell & Cooper Ltd in the United Kingdom.
